THE CHRISTMAS Hit!

Welcome!

I am so excited you get to see our Christmas Play. Arthur and the entire Production Department has been working so hard to make a powerful play. Our goal is to show the life of Christ Jesus so that you can have a deeper friendship with Him.

I want to thank so many people who have given countless hours to this play. Their sacrifice and creativity has made this a phenomenal event. Also, thanks to people who financially give in order for the Church to make these plays.

Sit back, relax and enjoy.
Again, welcome to "The Christmas Hit!"

God bless,

NOTE FROM DIRECTOR: Welcome to The Christmas Hit! We're so glad you could join us for an exploration of how many of the world's most beloved Christmas carols were created. Our story focuses on a struggling songwriter's desperate attempt to stay out of financial ruin. Could a hit Christmas song finally bring him the success he yearns for? A little Divine inspiration may be his only hope, as he embarks on an unforgettable journey through 2000 years of Christmas Carol history. Thank you to all the amazing volunteers who have been working tirelessly for the past three months to bring this production to life. I am beyond grateful for this incredibly dedicated and talented community! Sit back and enjoy the show!

Thank you for coming, and may God bless you abundantly this Christmas Season.
